

NEWS GATHERED FROM SOUTHSIDE

Street Committee Turns Down
Gill Brothers' Application
for Spur Track.

THE FIGHT WILL CONTINUE

Post-Office Site Is Now Paid for.
Alms House and Poor Com-
mittee Meets.

Manchester Bureau, Times-Dispatch,
No. 1102 Hull Street.
After a most vigorous fight last
night before the Street Committee,
the ordinance providing for a spur
track to be run from the northeast
corner of Ninth, across Ninth Street
and Semmes Street, to the proposed
site of the wood yard to be erected by
Messrs. Gill Brothers, at Ninth and
McDonough, was lost owing to the fact
that the final vote was 4 to 4.

The ordinance only asked that the
permit be granted for the running of
the spur track, but the opposition, and,
in fact, the fight for the track, was
waged almost entirely along the lines
of whether or not the erection of a
wood yard in that vicinity would be
injurious to the property in the
vicinity or objectionable to the citizens
living nearby.

Wells Opens Up.
E. H. Wells, representing the citizens,
was the first person to be heard
on the ordinance, and he spoke only
for a short time. He stated that he
was not so much opposed to the spur
track as he was to the erection of the
wood yard, which must be handled by
him, however, stated that he did not
want the track there, and furthermore
gave reasons why those whom he
represented desired that the ordinance
be not recommended to the Council.

He showed how the erection of such
a plant would depreciate the value of
property in that section. Mr. Wells
pointed out the fact that the proposed
site was adjoining a number of resi-
dences, and, in fact, practically in
front of these residences. He showed
that the proposed yard was not only to
be a wood yard, but a lumber and coal
yard. Mr. Wells was most earnest in
his plea, and begged the committee to
defer their action until the Fire Com-
mittee had acted upon the building
permit, which must be handled by
them before the plant is made possible.

Mr. Gill Replies.
Mr. Gill, one of the firm, answered
Mr. Wells, and his argument was a
good one. Indeed, he made an excel-
lent plea for his cause, far better, in
fact, than many lawyers could have
done. He gave the actual distances
from his property to those of citizens
having residences, and made a strong
plea along this line, pointing out in-
stances where such concerns were lo-
cated in Richmond. He also presented
a petition, signed by eighty or more
citizens, some of whom were property-
owners, and had a large number of citi-
zens present, who testified that they
lived close to where the yard was to
be located, and, in fact, close to the
old yard, and that they had not been
annoyed by the presence of the yard.

Mr. David H. H. owns one of the
handsomest residences in the city, and
which is located in close proximity to
the proposed site, urged the com-
mittee not to recommend the passage
of the ordinance.

He stated positively that his insur-
ance would be doubled should the
yard be located near his property.
Many of the citizens are opposed to
the proposition, not on personal
grounds, but that they think their
property would be damaged as a result
of it. Mr. Gill Brothers think it hard
that they should suffer, but the people
are of the opinion that the city will
not be benefited by the yard.

Fight to Continue.
The entire matter will depend en-
tirely upon the fact whether or not
the Fire Committee grants a permit
for the erection of the yard and the
engine house. This matter will, how-
ever, come before three bodies. The
Fire Committee will hear the request
for the building permit; the Water
Commissioners will be requested to
furnish water, and the Council will
have to consider the request, which
was turned down by the committee
last night. Both sides will fight the
issue, and the contest promises to be
a most interesting one.

The committee amended the ordi-
nance which was given to the Union
Trunk and Bag Company the privi-
lege of running a spur track from
the Southern Depot to its plant. The
amendment only changes the location
of the starting-point of the track.
The report of the City Engineer
was adopted. Bids for furnishing feed
for the Street Department were opened
and awarded to Leo Ullman. The con-
tract for blacksmith work was awarded
to W. J. Alley.

Sidney Carney, colored, of Chester-
field, who charged the city as being
responsible for the death of his horse,
which fell in a hole at Everett
Street and the Turnpike during the
month of May, appeared, but his case
was not acted upon.

Members of the committee present
were Messrs. R. T. Paitram, W. D.
Ferguson, J. B. Rudd, J. W. Moore,
C. C. Jones, D. Toney, J. A. Lind-
say and Captain Tillery.

The Story of a Medicine.

Its name—"Golden Medical Discovery"—
was suggested by one of its most impor-
tant and valuable ingredients—Golden
Seal root.

Nearly forty years ago, Dr. Pierce dis-
covered that he could, by the use of pure,
triple-refined glycerine, added by a cer-
tain degree of constantly maintained heat,
heat and with the aid of apparatus and
appliances designed for that purpose, ex-
tract from our most valuable native medi-
cinal roots their curative properties much
better than by the use of alcohol, or
generally employed. So the now world-fa-
mous "Golden Medical Discovery," for the
cure of weak stomach, indigestion, or
dyspepsia, torpid liver, or biliousness and
kindred derangements was first made, as
it ever since has been, without a particle
of alcohol in its make-up.

A glance at the full list of its ingredi-
ents, printed on every bottle-wrapper,
will show that it is made from the most
valuable medicinal roots found growing
in our American forests. All these in-
gredients have received the strongest con-
firmation from the highest medical au-
thorities, and are well known to the
people. The "Golden Medical Discovery" has
been compiled by Dr. R. V. Pierce, of
Buffalo, N. Y., and will be mailed free to
any one asking same by postal card, or
letter addressed to the Doctor as above.
From these endorsements, copied from
standard medical books of all the differ-
ent schools of practice, it will be found
that the ingredients composing the "Golden
Medical Discovery" are advised not only
for the cure of the above mentioned
diseases, but also for the cure of all cat-
arrhal, bronchial and throat affections,
accompanied with catarrhal discharges,
hoarseness, sore throat, lingering or
hang-on-coughs, and all those wasting
affections which, if not promptly and
properly treated are liable to terminate
in consumption. Take Dr. Pierce's Dis-
covery in time, and persevere in its use
until you give it a fair trial and it is not
likely to disappoint. Too much must not
be expected of it. It will not perform
miracles. It will not cure consumption
in its advanced stages. No medicine will.
It will cure the affections that lead up to
consumption, if taken in time.

Government Pays Up.
The Treasury Department has sent
A. L. Adamson a check for \$11,890 for
the three lots at the corner of Eleventh
and Hull streets, where the Federal
post-office building is to be erected.
These lots were owned by three differ-
ent parties, and Mr. Adamson was their
representative.

Work has already been begun on
the dismantling of the old building
directly on the corner of Eleventh and
Hull. It is probable that the work on
the building proper will not be com-
menced until early next spring.

Sunday-Schools Make Showing.

timely address on Sunday-school meth-
ods. The attendance was 230.

The attendance was 230. The

reported an average attendance of 78
percent. A total of the reports show
an average attendance of the four
schools of 67 percent. Collections,

Sunday afternoon, at Central Church,
when matters of importance will be

DR. BATTLE'S STEP CAUSES SURPRISE

After Three Years' Pastoral
Work at Greensboro, Minister
Hands in Resignation.

NOT DECIDED AS TO FUTURE

Has Several Calls, but None Has
Been Accepted—Death
Benefit Paid.

DR. HENRY W. BATTLE.

(Special to The Times-Dispatch.)
GREENSBORO, N. C., July 8.—At the
morning session of the First Baptist
Church of this city yesterday Rev. Dr.
Henry W. Battle, who for the past
three years has been pastor of the
church, tendered his resignation, to go
into effect October 1st. It was accept-
ed. The news of this occurrence came
as a surprise to the general public.

Dr. Battle has been considered one of
the leading and most influential men
outside of his denominational and
clerical capacity, and his great work
here in his church, as well as out of
it had gained for him the greatest
amount of respect and appreciation.

Since coming here from Petersburg
three years ago, although three other
Baptist churches have been built and
congregations formed out of the parent
church, the First Baptist, the congrega-
tion has increased under Dr. Battle's
pastorate. Only yesterday the congre-
gation having grown to the point where
it has worshipped for twenty-five
years, purchased a site on West Market
Street and erected a new edifice,
costing over \$50,000, it being one of
the most modern buildings of its kind
in the State. Dr. Battle is not yet de-
cided as to his future work. He has
several calls to churches, one to Kin-
ston, N. C., but none of them has been
accepted, as he is considering work
in other fields in this and other States
in connection with the Southern Baptist
Convention plans.

District Court.
United States District Attorney Hol-
ton was here this morning. The
United States District Court was open-
ed, and Judge Boyd approved a number
of accounts of United States Commis-
sioners and other government officials,
presented by the District Attorney.

Judge Boyd opened the afternoon ses-
sion at 2 o'clock. The first case was
an appeal from the Circuit Court of
Appeals, which convenes there to-
morrow.

His next terms are at Asheville the
first Tuesday in August; Greensboro,
first Monday in September (special
term); and Raleigh, first Monday in
September, and Greensboro, first Mon-
day in October, being a regular term.
Mr. A. R. Horry, manager of the
Postal Telegraph Company here, has
received a check from the Telegraph-
ers' Mutual Benefit Association for
\$100,000, for the policy of the late
W. T. Gregg.

Mrs. Lindsay Patterson, of Winston,
and Miss Rebecca Schenck, of Greens-
boro, have gone to Jamestown Ex-
position to take charge of the historical
exhibit of the North Carolina Building.
The Evans, Beane and T. A. Adams
from every township and city of the
county are here to-day in session with
the County Commissioners hearing
complaints of parties who think the
assessments are too high.

and has since that time been super-
intendent of Catawba county schools.
Superintendent Joyner also ap-
points A. J. Barwick, formerly of
Lenoir county, as statistician and gen-
eral clerk to Mebane.

of the Wilson schools. Mr. Barwick is
a State university man, class of 1900, and
a professional teacher, having taught
at Kinston, Goldsboro, and held the
superintendency of the Albany, Ga.,
public schools.

War Talk Not Heard in Japan,
Says Ambassador
Aoki.

WASHINGTON, D. C., July 8.—Vis-
count Aoki, the Japanese ambassador,
to-day declined to discuss the reports
indicating an indefinite suspension of
the negotiations for a renewal of the
present treaty between Japan and the
United States. If this government
moves the right to retain a clause in
the compact permitting the exclusion of
Japanese coolie labor. "That is a mat-
ter about which you must ask the
State Department officials," he said.
"I cannot discuss any feature of it for
publication."

The reported views of Foreign Min-
ister Hayashi, received here yesterday
through the personal representative of
Count Okuma, the leader of the pro-
gressive party in Japan, outlining the
Japanese government's attitude on the
subject, were read with a great deal
of interest by the officials of the Ja-
panese embassy, but they would not
make any comment on the subject.

No War Talk in Japan.
Ambassador Aoki's attention was
called to the published statement that
the battleships of Admiral Evans' fleet
were to be sent to the Pacific, to which
he replied: "You don't hear any word
of this in Japan, but in Europe and in
the United States there is plenty of
talk about it."

At the Japanese embassy the offi-
cially discredited the reported utter-
ances of Admiral Sakomoto, Mr. Masa-
nao Hanhara, the second secretary,
expressed his strong belief that the
admiral had not given voice to any
such utterances. He said that he had
nothing like them, and that if he
spoke about the matter at all, he has
been badly misquoted.

Admiral Brownson, Chief of the Bu-
reau of Navigation, the Navy De-
partment, said to-day he was satisfied
that the Japanese Admiral Sakomoto,
who is reported in a Japanese anti-
government paper to have questioned
the patriotism of American naval crews
and the ability of the American naval
officer, has been misquoted. Said Ad-
miral Brownson:

"While spurred on by a spirit of
unrest or homesickness, sailors have
sometimes left the American Navy.
They have always done so in time of
peace. There is no record of a blue-
jacket deserting in time of war."

road Succeeds Senator F. M.
Simmons.

(Special to The Times-Dispatch.)
RALEIGH, N. C., July 8.—After a

o'clock to-night, the State Democratic
Executive Committee accepted the re-
signation of Senator F. M. Simmons as

in his stead. Mr. Chatham accept-
ing with the distinct understanding
that he should not be asked to serve
after the next State convention.

The resignation of Simmons was pre-
sented by F. S. Spruill, and vigorous
opposition to its acceptance developed.
The vote finally being nineteen against
the contrary for an immediate election
of a successor, or having the secre-
tary act until the next State conven-
tion. A resolution by J. S. Manning
that the secretary act was defeated.

Speeches urging the election of Hugh
G. Chatham were made by R. A. Doug-
lass, Paul G. Means and others. E. L.
Travis was nominated by J. S. Man-
ning, who opposed Mr. Chatham be-
cause he was president of the North
Carolina Railroad. This opposition was
made unanimous.
